BIRTHDAY PARTIES 2020

In an effort to do everything possible to protect the safety of our guests and staff when we reopen, we plan to implement changes to limit the amount of people in the facility and to practice social distancing. Not only will we be following guidelines from the Department of Public Health and the CDC, new procedures and protocols of our own will be put in place to insure the highest level of safety for all who come to the BSC.

Given the current uncertain circumstances, we will temporarily keep the Arcade and PlayMaze closed. We also will not be offering any walk on Laser Tag Times and limiting the type and number of parties. Over time, some of these temporary restrictions will be reduced or eliminated, but not until we feel it is the appropriate action to take for everyone's safety.

While we have been closed, we have taken the opportunity to deep clean, paint, repair and reorganize. The turf fields have been sanitized and an anti-microbial solution has been applied. We have developed protocols for intensified cleaning and disinfection and to implement social distancing strategies throughout the facility.

How do I book a party?

We offer two options for booking a party at the BSC. 1) Contacting one of our event planners at 908-203-1640. 2) Filling out an online birthday party request form which can be completed by visiting the "Birthday Party" page of our website at www.branchburgsports.com. A \$100 deposit is required to secure your party date/time.
